## NEW! TWO-YEAR WARRANTY

Amdek's comprehensive Two-Year Warranty is indicative of the quality craftsmanship inherent in every Amdek monitor. The warranty protects the monitor's electronics for two years, and the CRT's for three years . . . and all existing warranties are extended to the new warranty period. Basically, the warranty covers both labor and replacement parts.

Beginning September 1, 1983, all Xerox Service Centers will be the authorized service facility for all Amdek products.

For warranty details, contact your local computer dealer, or write Amdek Corporation.
